

A hospital that doesn't
feel like a hospital

Banner Children's at Cardon Children's Medical Center (CCMC) is part of the Banner|Aetna network

Banner Children's understands what interests kids, what frightens them and – most importantly – what helps them heal and stay healthy. From well-child exams to treating minor injuries and illnesses to managing chronic conditions, the experienced team at Banner Children's provides comprehensive, family-centered medical care for children. With pediatricians and specialists throughout the metropolitan Phoenix area, ten pediatric-prepared emergency rooms, Cardon Children's Medical Center along with Banner Children's at Banner Thunderbird, Banner|Aetna members are only minutes away from top pediatric care.

To help keep your child feeling, laughing and healing like a child, CCMC offers:

- Separate treatment areas to maintain the safety and comfort of patients
- Toy closets next to treatment rooms that are stocked with goodies for kids to enjoy after a hard day
- Patient floors with neighborhood themes to provide a familiar and welcoming environment for kids
- Rooms that feel like home, complete with a mailbox, private bathroom, custom-built bed with room for two adults, flat-screen TV and Wi-Fi
- Family-friendly amenities, such as kitchen galleys, laundry rooms and quiet rooms for adults, on every floor
- A "medical-free" area where kids can just be kids with spaces that feature large screens for movies and a stage for plays or fashion shows.
- Lobby and gift shop areas featuring a waterfall that travels into a fountain, while trees, park benches and street lamps add to the park-like environment
- An interfaith chapel offering a quiet place for prayer and meditation and a treehouse chapel featuring leaf and sky-themed windows and a tree-trunk altar
- A Ronald McDonald House on campus

The Banner Health commitment to your child's care

Banner Children's goal is to not only provide excellent care for kids, but support for the whole family. Banner Children's pediatric specialists provide quality, multidisciplinary care for newborn through 18 years old. People from across the Southwest United States and Mexico come to Banner Children's to receive care for their children.

For your convenience, Banner Children's pediatric-trained doctors can treat patients at either Banner Children's at Cardon Children's Medical Center or Banner Thunderbird. Both locations have pediatric emergency departments and pediatric intensive care units. Pediatric trauma care is also offered at CCMC.
